

CREDIT CARD/DEBIT CARD - DIRECT PAYMENT PLAN

The Direct Payment Plan (DPP) is the automated and dependable way to pay for your purchases. We will automatically charge payments to your credit card account. The DPP eliminates any confusion about which invoice is due when. It also saves time, postage, and guarantees no late charges. DPP participants are also ensured of getting the Net 10 discount of \$.02 per gallon.

Here's how the DPP works: You authorize James Oil Co., LLC to automatically use your credit card to pay your bill each time we deliver fuel to your tank(s) and/or equipment. When a payment has been made James Oil Co. will mail a payment receipt to you. The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization.

All you need to do is:

1. Complete the form below.
2. Return this form to James Oil Co. by fax, email or US postage.

Authorization for Direct Payment Plan (DPP)

*I authorize James Oil Co., LLC to initiate payment of my purchases with credit card information provided.
This authority will remain in effect until I have cancelled it in writing.*
